REPLY TO
ATTN OF: RSS

C-7180/RSS-4B

SUBJECT: Unofficial Travel to Hazardous Areas (U)

TO: Distribution List

Refs: a. Director of Central Intelligence Directive (DCID) 1/20, "Security Policy Concerning Travel and Assignment of Personnel with Access to Sensitive Compartmented Information (SCI)," 6 June 1978.

b. RSS memorandum C-6431/RSS-4B, 11 July 1979, subject: Security Education/Unofficial Travel to Moscow Olympics, 1980.

1. (U) Reference a. provides basic DCI guidance about unofficial travel to hazardous areas. The DIA policy explained in reference b. is amended by this memorandum.

2. (C) All SCI-indoctrinated personnel assigned to the Defense Intelligence Agency must give prior notice of unofficial travel to the hazardous areas listed at enclosure 1. By direction of the Director, DIA, all such unofficial travel notices must now be laterally routed through the Deputy Director, Chief of Staff, Deputy Director for Intelligence (DI), Assistant Vice Director for Attaches and Training (AT), and the Assistant Director for Resources and Systems (RS). The Director, DIA, instituted this policy because he has determined that it is prudent for all major DIA elements to apply their unique perspectives, interests and responsibilities to unofficial travel notices.

3. (U) RSS has prepared a sample format for unofficial travel notices at enclosure 2. These notices should be submitted to RSS-4, in duplicate, 30 days in advance of proposed travel.

4. (C) It should be emphasized that this new routing to DD, CS, DI, AT and RS applies only to unofficial travel (private vacations, DoD group tours, etc.) by DIA personnel. Official travel to hazardous areas will continue to be processed in accordance with established procedures.
